

Here are a few ideas for slogans and chants:

U.S. makes endless war, Venezuela feeds the poor

Not U.S. land, not U.S. oil, Hands off Venezuelan soil

Capitalist media lies while Venezuelans die

Up with Maduro, Down with Trump

Up with Maduro, Down with Big Oil

You gave us oil for our homes, Venezuela you're not alone

The people united will never be defeated

Take the plants from the bosses hands, We like Maduro's jobs plan

Venezuela wants peace, Stop the terror in the streets

Venezuela has free tuition, U.S. funds the opposition

Food and medicine for the poor, Hugo Chavez opened the door

No, no to a right-wing coup, Venezuela we're with you

U.S, CIA, Hands off Venezuela

Maduro, amigo, el pueblo esta contigo

Maduro es el presidente, Venezuela no se vende

El pueblo unido jamas sera vencido

Paz y solidaridad, por Venezuela Amistad

Chavez presente, Maduro presidente
